

PROTECT YOURSELF WHILE ON VACATION

Credit Card Safety- How you should protect your money!

Limestone Federal Credit Union strongly urges all members to call their credit and debit card issuers ahead of time to let them know you'll be out of town, especially if it's an international trip. This way, you won't be blocked from using your cards when you need them most. Card issuers may block cards for your protection when unusual activity appears in your account.

Limestone Federal Credit Union Visa holders simply need to flip their cards over to find the 1-800 number needed to issue their alert. Debit card holders can make arrangements with Limestone FCU before they leave on vacation, or they can call 341-3118 and press option 2.

If you would like additional information or help please contact Tina Baumann, LFCU Member Services Representative, to assist you at 906-341-3118 ext. 125.
