

## 62<sup>nd</sup> Annual Meeting A Huge Success!

**A**s tradition would have it, the 62nd Annual Meeting on March 10, 2017 was a huge success despite the blustery weather outside. Members were present to listen to Board Chairman Ron Provo and CEO Jennifer C. Watson deliver a review of 2016 and provide a peak into what we can expect for LFCU in 2017 - with a few surprises along the way!

Members listened with great interest to details about our new core processing system slated for implementation the weekend of March 31st. It was reported our asset size has grown impressively from \$43 million to \$46 million.

Jennifer expressed thanks to the staff for their hard work and dedication to our membership and their belief in the credit union movement. On a fun note, Jennifer invited staff members up to the front to introduce themselves and to share their role at LFCU. A little humor was interjected when staff were asked to share something unique about themselves. This was most revealing when we learned, some of us can still do the splits, one of us used to Irish dance competitively as a kid, another considers themselves a crazy cat lady, and another revealed she's not a real blonde!

The meeting ended on an emotional high, when Jennifer made two very important announcements. The first was presenting Amy Gould, Lending Development Manager, with a 20 Years of Service Excellence Award. Amy's work ethic, attention to detail, and expertise in her field is an inspiration to us all.

Next Jennifer Watson revealed long-time Limestone FCU Chairman, Ron Provo, has been named the Michigan Credit Union League Person of the Year. Ron will be recognized for his tireless work, support, and leadership to Limestone and the Credit Union movement at their yearly banquet in April.

Afterwards, members enjoyed hors d'oeuvres of jumbo shrimp, chicken, gourmet pasta, meatballs, and mashed potatoes with special toppings served in a martini glass! The desserts were plentiful and decadent. Drinks were served by The Elks.

Cash prizes were won, special LFCU notebooks and pens were given to everyone, and some lucky winners also received a bag of The Grind Coffee House coffee. It was a fantastic evening.

## Core Conversion Project Complete. Now What?

By the time you receive this newsletter, we will have just completed our Core Conversion project and with that comes the opportunity to improve upon and implement the numerous convenient services our members will enjoy. This new best-in-market technology will allow us to become more efficient. We will be able to provide quicker service to the membership as well as improve data analysis. This system will provide enhanced integration with products and services we currently do not offer such as:

- Instant issue debit cards,
- Card Nav (a product which allows members to turn their debit card on and off from an app), and
- Round Up, (a product which allows members to round up their debit card transactions and transfer to a savings).

More products and features will be announced in the coming months.

Access to your accounts and use of your debit cards should now be back to normal. Please contact us right away if you are experiencing any difficulties so we may rectify the situation for you.

Additionally, we would like to thank you for your patience as we continue to move forward in bringing our membership new financial services and providing ease and convenience to your credit union experience.
